## Very Brief Advice on Smoking Cessation

"The best way to quit is by combining counselling and medication"

And deliver the patient pamphlet

"I can refer you to free cessation services

Not agree for referral "You can quit by going cold turkey, and you may find this pamphlet helpful. You can call the Quitline if you have any gueries"

**Agree for** referral

"My colleague will arrange referral for you"

Document the smoking status, and reassess in follow up
